

## "Icardi PP\*" HB-Nr. 10/863758

Auktion vom 03. September 2025 (Kat.-Nr.: 4)

**Ohrmarke:** DE 09 60003658

**Vater:** Inside Pp\*

**Widerristhöhe:** 130

**Brustumfang:** 187

**Gewicht:** 480

**tägl. Zunahme:** 1.354

**Züchter:** Mosandl GbR, Ottmaring (Lkr. Neumarkt)  
**Besitzer:** Mosandl GbR, Ottmaring (Lkr. Neumarkt)  
**Käufer:** Besamungsgenossenschaft Marktrechwitz-Wölsau  
**Preis:** 4.700 €

| 4                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                    |                                                                                                               |
